# Material\* Fabric\* Textile

— From Thread  
to Fabric

Junges  
Museum  
Frankfurt

# Material \* Fabric \* Textile

**Textiles shape our lives:** whether as clothing, in living spaces or in the working world. They are as varied as their intended uses, and all have very different origins. Discover and explore the world of textiles in our exhibition, with our many practical activity stations. Here visitors can try out techniques for processing threads into fabrics through weaving, knitting, knotting, dyeing and stamping.

Guided exhibition tours are available for classes starting at 2nd grade level. In addition, we offer workshops in textile design, felting, upcycling and jewellery.
